Port pact delayed, schools get \$50,000

With four of five leaving office in January, county supervisors were cagey about putting themselves in a " lame duck" position at their first day-of-the-month meeting today, putting off until next week a decision to approve hiring the engineering firm Michael Baker for the Port Harbor Commission, and agreeing on adopting a correct resolution approving a \$50,000 loan to the school board which had been okayed last year.

As to the latter, school board attorney Walter James Phillips said he was out of town when the original resolution was adopted and noted it was not in proper form, no legal notice having been made in a newspaper.

After lengthy questioning and discussion, mostly by Beat 1 supervisor H.G. Dean, it developed that should funds in the bond and sinking fund fall below

a certain level the obligation would then become the responsibility of supervisors to which Dean objected. He asked that the resolution be amended removing the board of this responsibility but Phillips read the statute under which the loan was made showing this could not be done legally and Dean reluctantly agreed to vote aye. The money is for emergency additions at Pearlington and North Central.

On rehiring of Michael Baker Dr. A. K. Martinovich commented it was just a routine matter as the Baker firm had done a good job and the commission was completely satisfied but Dean insisted there was no hurry in the matter and said he wanted to talk to the incoming supervisors first to see if the firm was okay with them. He promised to vote either yes or no at the supervisors' next meeting Monday. The proposed contract is for a four-year term.

In other matters they approved the \$688,694.71 budget already approved by trustees of Hancock General Hospital, instructed the clerk to send telegrams to Senator John C. Stennis with copies to Senator James Eastland and Congressman William Colmer endorsing the Hancock County Chamber of Commerce request for aid

Trade meet gets \$2,500 kitty boost

Another step was taken toward completion of arrangements for Hancock County's first annual International Trade Seminar when the Board of Supervisors Monday granted a request by Charles Carter for \$2,500 financial assistance.

The seminar is slated for Nov. 16 in the new facility at Coast Electric Power Assn. and is sponsored by the Hancock County Chamber of Commerce, the Hancock County Port and Harbor Commission and the Gulf Coast Regional Planning Council.

Levy cut 1/2 mill, school bond repayment cause

Boxes locked, Lott to appeal dismissal

A petition filed by Jack Lott, supervisor, Beat 4, contacting the nomination of J.C. (Pock) Mouffray for that post in the forthcoming general election was dismissed Monday by the Hancock County Democratic Executive Committee.

The dismissal arose after Lamar Otis, circuit clerk, refused to deliver certain ballot boxes needed by the commission for its investigation. Otis claimed the statutes prohibited him granting access to the boxes unless so ordered by the court.

He said he had sought competent counsel on the matter and that he did not have the authority

to open the boxes. His office later stated Otis had telephoned the attorney general in Jackson to obtain the advice.

Grounds for the dismissal were that the commission could not fairly or impartially rule on the petition's validity or invalidity because of the committee's inability to inspect or fully investigate the claims without having access to the ballot boxes.

In taking the step the committee stated its action to dismiss was not to be construed as denial of the contestant's charges nor its withholding of

A half mill cut in city taxes for 1967-68 was announced by Commission Council as the deadline passed for petitions for equalization of assessments. The total take is now 48 1/2 mills as compared to 49 last year and 51.25 the year before.

The half mill cut is in the school bond sinking fund, reduced to 6 mills, all others remaining as is, city general fund, 15, parks and playgrounds, 1, library, 1 1/2, city bond sinking fund, 1, and school maintenance and operation, 25.

Total assessment for the entire municipal district is \$12,218,655, and increase of \$3,475,605 over last year. Cause of the increase was said to be a new, professional valuation of land made by William MacWhorter and Associates of Weesley, Tex. Assessment being based on 30 per cent of the fixed value.

Commissioner of Finance Warren E. Traub said Wednesday that the newly annexed property is not included in total assessment figure as it was annexed in 1967 and taxes for

this year are not collectable until 1968. The next assessment, of course, will include the annexed property.

Traub commented that home owners are allowed 15 mills homestead exemption up to \$5,000 valuation resulting in actual taxes paid in the city proper being 33 1/2 mills. Waveland and outside area persons pay only school taxes to the municipal district, 31 mills, and this figure would be 18 after deducting the homestead exemption. In 1965-66 the school millage was 36.

Assessment for the city proper is \$7,480,219, up \$857,019 over last year. Waveland, \$4,411,197, and the outside area, \$5,327,239. Broken down with Bay, Waveland and outside listed in that order, it is land, \$2,069,545, \$1,999,485, \$2,949,

Hooked or not, charges to be made

No change in the deadline for city sewer connections was made last week and sewer charges, one-half of the water bill, will begin on Oct. 1, whether or not connections have been made, commission council announced this week.

Council pointed out that the Oct. 1 date was set up in the original contract on which bonds were sold and approved by U.S. agencies and could not be changed without affecting bond repayments. Nearly 40 per cent of the connections remain to be made.

Hancock fund to help 9 agencies

United Fund volunteers gathered in Club Lodge last Saturday to officially kick-off the 1967 campaign.

With sights set on a target of \$21,000 for this, their third, campaign the workers heeded well when principal speaker Paul White, public relations officer, Gulf National Bank, urged them to work hard towards obtaining their goal.

Nine agencies benefit from the campaign. These are the American Red Cross, Hancock County Retarded Children's Assn., Hancock County Emergency Relief Fund, Boy Scouts, Girl Scouts, Hancock County Blood Bank, Bay St. Louis Dixie Youth Baseball, Inc., Gulf Coast Assn. for Mental Health, and United Services Organizations, Inc.

Chairmen for this year's drive are James R. Ginn, campaign; James N. Travivra and A.C. Jones, Bay St. Louis; William E. Breland, Waveland; Gerry R. Lane, U.S. 90; Charles A. Russ, III, county; Leonard V. Ladner, Clermont Harbor and Lakeshore; Mrs. Fred Wagner, special gifts; Mrs. W. F. Cole, house-to-house, Waveland.

Ray Gordon, United Fund director, acted as master of ceremonies at the dinner and Rev. Charles R. Johnson, gave the invocation.

Others at the dinner were, Mrs. C.R. Beyer, United Fund secretary, Mr. and Mrs. J.A. Weinfurter, Terence Feeney, Mmes. Charles Johnson, Paul White, Ray Gordon, Arthur Sullivan, W.F. Cole, Ashley Fish-er, Jr., William Breland, Char-

les Russ, A.C. Jones and James Travivra, Mr. and Mrs. O.J. Howe, Mr. and Mrs. Thomas Flynn, Mr. and Mrs. Edwin Maurice, Mr. and Mrs. James D. Ryan, Mr. and Mrs. James E. Drummond, and Miss Patricia Thompson.

The United Fund was created in Hancock County in 1964 and represents a desire of the citizens to let one apical substitute for individual health, welfare and youth activity fund raising drives.

The funds received are paid

BWGC hosts state meet

One hundred and thirty-three women from all over Mississippi were entertained at a luncheon meeting Wednesday at Bay-Waveland Yacht Club by the Bay - Waveland Garden Club.

Mrs. Joseph Vignarile, president of the local group, and the meeting was to award ribbons to outstanding clubs in the state and to plan selection of delegates who will attend the National Convention of Garden Clubs.

Mrs. Cam Peoples of Vicksburg, president of Garden Clubs of Mississippi, Inc., announced winners including awards of three blue ribbons to Bay-Waveland. Blue ribbons went to Bay-High School Tiger Lilies and to the Junior Gardeners, formerly of St. Joseph Academy, both sponsored by Bay-Waveland Garden Club.

GERM BEATER - Cleaning beach from Clermont Harbor to American Legion, county front-end loader will be doing job on regular basis, according to R.G. Hubbard, Jr., president, board of supervisors. Hubbard said county will maintain berm with monies from seawall fund.

MTF United Fund sets \$80,000 goal

Aiming at a goal of \$80,000 the United Fund campaign will kick-off on Monday and run through Nov. 6 at Mississippi Toot Facility.

Known as the rocket testing center as the Combined Aerospace Campaign, funds collected from it will be distributed to United Funds of Hancock, Harrison, and South Pearl River Counties; the United Fund for the greater New Orleans area, the national health agencies, and the international welfare agencies.

Jackson M. Balch, National Aeronautics and Space Administration, manager, MTF, will serve as general chairman of the campaign and Stephen D. Krull, manager, Boeing Co., MTF, as drive chairman. They will be assisted by W.D. Weaver, NASA, assistant drive chairman; O.J. Bruscoth, General Electric, campaign treasurer; and E.B. Martin, GE, publicity coordinator.

Krull said the campaign's goal will be contributions of one hour's pay per month for one year and a 100 percent employee participation.

Citing this year's target figure of \$80,000 as a sizeable and challenging increase over last year's total of \$70,948, Krull said the campaign is the only charity campaign conducted among the state's 3,000 permanent employees.

As the drive is on behalf of the United Fund agencies in each of the seven counties or parishes in which MTF employed lives, together with national and international health and welfare agencies, Krull said employees may designate the specific funds and charities to receive their donations.

MAUDIE AND LUCIEN TORREY SHOW JUST HOW PLEASED THEY ARE WITH NEW CAR

Mr. Torre, a state highway department employee, had a new car at every make, model, and color. He and Mrs. Torre decided on a new Chevrolet. The fact that guaranteed service is part of every sale at Torre's, as well as the best deal anywhere, was another factor in their choice.

OLD NEWSPAPERS WELCOME

any year - the brothers of St. Augustine's Seminary have collected newspapers for the benefit of the seminary.

We are grateful to our long and faithful clients, and we welcome new ones. The newspapers can be deposited in the paper shed on Rueila next to our truck garage. If you cannot easily locate it, just ask any of the Fathers, Novices, Brothers or Students to direct you.

Due to an increasing amount of work at the seminary and the shortage of Brothers, it is no longer possible for us to come to your homes to pick up the paper.

In addition to discarded newspapers, old clothing and just plain tags are welcome as they have a commercial value. Unfortunately, old magazines cannot be sold. So please, no magazines.

Again, we would like to take this opportunity to thank all our friends for their interest and help in the past, and at the same time we hope to make new ones who would like to bring their old newspapers to our paper shed on Rueila at the seminary.

Tigers at lawks

Bay High made it a row as they clipped over-joyed Hancock Central Hawks 19-7 in a Coast Conference game tonight at North Central. The Tigers will find the tougher this Friday when they play Harrison Central Rebels, a team that defeated Forrest County, Christian and tough St. Louis only to defeat North Central's 16-man travel team in Long Beach. Back Matt Karl carried the skin for two of Bay's touchdowns Friday as the Tigers evened their record with two wins and two losses. Back Gene Estajapass-Glen Yarborough for the first time.

Bay ran the ball in the first quarter and scored on a 10-yard run by Gene Estajapass. The Hawks kicked the extra to give the Tigers a 7-0 going into the second quarter. The payoff pass from the yard line came in the second frame and it was 13-0. In the third period, Bay took a handoff from Estajapass and ran it back through the middle of the field for the final tally.

Hawks' Eddie Rodriguez lost in the third period on a sizzling 22-yard pass from Estajapass to Lloyd Anderson was for the extra point.

Lillie Burney

Intercepts key to Jones' win

Quarterback Ernest Tassanational passing and a pass defense that intercepted two passes accounted for the victory over Lillie Burney in Tiger Stadium. Jones' defense intercepted two passes and a fumble in the first half. Jones' defense intercepted two passes and a fumble in the first half.

St. Stanislaus bounced back from last week's licking by the Hawks and defeated Jilleville, with a vengeance, 47-10, Friday, under the lights in Stanislaus Stadium.

The Rockchaws are now 3-1 for the season, the only unbeaten team in the league. The Hawks, on the other hand, are 1-3. The Warriors, after being unable to penetrate a stone-

It's sort of funny how people react to any drastic change in weather, and a 50-odd degree drop within 24 hours is just about as effective a temperature drop as is likely to occur. One day we all were working in our yards with huge heads of perspiration dripping from over-heated brows and the following day dry cleaners were receiving frantic calls from those people who had neglected to get woollens and furs out of storage. Service men were kept busy lighting heating units and disconnecting air conditioners.

Romping in the tulips

The most amazing effect appeared to be the reaction of children all over town. When the first chill began to be felt, they started actually acting like children used to act. Little clusters of small girls were jumping rope, playing hop-scotch, boys were romping with their dogs and a mini-skirted pre-teenager was looping all over the sidewalk executing a game of the timeless 'step on a crack, break your mother's back'. They were really playing instead of sitting glued to what ever they're usually watching on television or attending music, dancing, sewing or any other type of lessons, so popular with parents in this day and age. So much for that phenomenon-time to see what's new around town.

News of our jet set

Mrs. Elizabeth Homes, (she's Richie's mother) left Wednesday for her very first journey outside of the states. She was the guest of her nephew and wife on an all expense paid trip to Mexico City. We'll have further details when she returns.

Margaret and Freddie Haan have just returned from a fabulous vacation. They jetted to Cleveland, Wash., where they visited daughter, Peggy, and husband, Kenneth Pierce, then the four some went on an extensive tour including points of interest in Canada.

Late sick-room tidings

It gives one a sort of funny feeling to discover that a very good friend has had serious surgery and none told us one word about this fellow until he was able to return to work. Herb Baron has just about completely recovered from an operation, performed around the end of August in Gulfport Memorial Hospital, but had quite a rough time during his three weeks of hospitalization. He amazed everyone by continuing to sell automobiles while sitting in the yard of his Beach Boulevard home when in the process of recuperating.

Mrs. Joseph Moran, Jo, Eunice, Leo, etc.'s mother, is on the mend following an emergency operation for a ruptured appendix and intestinal blockage on Sept. 22 at Gulfport Memorial.

Faye (Mrs. Tex) Charrier is also much improved after having treatment at the same hospital. Faye and Tex will be easier to visit now, as they're moving into the house formerly occupied by the owners of Irene's Nursery on Main Street & Dunbar. Tex will also have his nursery and continue his landscaping service.

For years we've known that Wilfred (Wolf) Bordages was 'snake bit' when it comes to playing the ponies, but he didn't have to really get bitten by a cotton mouth moccasin to emphasize the fact. He was struck by the snake when walking through his garden late Tuesday afternoon and spent several days in Hancock General as he turned out to be allergic to the anti-venom serum.

Another get well wish goes to his roommate in number six, Dan Campton, who joined him after complications arose from a sting ray wound suffered three weeks before.

About town
Juanita and 'Dag' Erwin spent the weekend in Jackson visiting daughter, Nita Kay, and

her eight month old son, as husband, Jimbo Green, had over-night duty at University Hospital there.

Rev. and Mrs. Bertrand Eckert are buzzing about in a brand new, fully equipped, air conditioned small foreign model automobile. He's due to sail for Vietnam for about his tenth trip, within the next few days.

Seems as if just about all we're mentioning are sick people, but our news about Mrs. W.W. James is really of a cheerful nature. She'll still be a bit weak, but is able to be up and around her Ballentine Street home after having major surgery at Hancock General, where she spent three weeks.

Irma (Mrs. Johnny) Levens not only has her annual Heart Fund duties, but three of her six children had birthdays within two weeks.

Fishing news

Everyone knows that most anglers are also prevaricators, but Blair Johnson isn't the guilty one, and neither is Dick Thomas. Copy in his last week's ad should have read Dick Thomas and two 25 pound redfish, instead of two of the 25 red. (Cont. on Page 6-B.)

Couple exchange vows in Crescent City ceremony

Miss Sylvia Rita Marache, daughter of Mr. and Mrs. Raymond Marache of New Orleans, La., and Donald L. Sedman, son of Mr. and Mrs. Arnold C. Sedman of Waveland, exchanged nuptial vows, Saturday in St. Francis of Assisi Church, Bay St. Louis. The single ring ceremony was performed before an altar decorated with white blossoms and greenery.

Presiding at the altar by the father, the bride and groom were joined by Rev. Fr. James J. Franks, pastor of the church.

Marache, 24, of New Orleans, was a graduate of the University of New Orleans. Sedman, 24, of Waveland, is a graduate of the University of Mississippi and is currently employed as a technician at the Mississippi Test Facility.

Upon their return from a wedding trip, Mr. and Mrs. Sedman will be at home at 5900 Highway 90, New Orleans.

Council elects delegates

District delegates elected for the Gulf Parish Council include Pat Murphy, District 1; Gus Thomas, District 2; Ames Kergosien, District 3; Watson Johns, District 4; Charles Gottschalk, District 5; Lawrence Jacob, District 6; Lurien Kidd, District 7; Mrs. M. L. Horne, District 8; David Freutel, District 9; and Dr. A. K. Martinovich Jr., District 10.

Names of Parish organizations delegates are to be announced next week.

Mrs. E. Gates named proxy of homemakers

Mrs. Earl Gates was elected proxy of Waveland Homemakers. Extension Club, last Wednesday at the Agricultural Center.

Others elected to office were Mrs. E. L. Vasseur, vice president; Maurice George, secretary; and Mrs. Bernard Duerf, treasurer.

Mrs. Gates conducted the roll call and presented minutes of the previous meeting.

Mrs. Duerf was assisted with the social hour by Mrs. C. St. Amant.

Mrs. Krankey heads women for Phillips

Mrs. Harold Krankey, Bay St. Louis, has been appointed by gubernatorial candidate Phil Phillips, as chairman of the Women for Phillips Club in Hancock County.

Born in Etcham, Mrs. Krankey was graduated from the University of Mississippi and is currently employed as a secretary at the Mississippi Test Facility.

Mrs. Krankey is a member of the St. Francis of Assisi Church and is active in the club.

Mrs. and Mr. J. J. Hazzard and family of Jackson, visited last weekend with their parents, Mr. and Mrs. A. J. Hazzard, in Waveland.

Mr. and Mrs. Sidney Chevis of Jackson were weekend guests of their parents, Mr. and Mrs. J. J. Chevis, in Waveland.

Mr. and Mrs. Henry J. Anderson have returned from a visit with their son-in-law and daughter, Mr. and Mrs. Lamar Bassett, in Pascagoula.

MR. THOMAS, MRS. BEEBE AND FAMILY CAME FROM BAY ST. LOUIS FOR GERRY AND ANNE

Mr. and Mrs. Thomas Beebe and family decided on a new car. They started looking around at the different dealerships. They had been hearing a lot about the new Chevrolet dealer in Bay St. Louis. They decided to go there. They found a nice car. They were very happy. They had been looking for a long time. They had been looking for a car that was reliable and had a lot of features. They found it. They were very happy. They had been looking for a long time. They had been looking for a car that was reliable and had a lot of features. They found it. They were very happy.

Teen Times

Lots of plans have been contrived by the eager little helpers for which we're most grateful, so let's dash into some of the latest plans on the teen scene.

Who is D.P.'s new love? Jane Vickery will probably never forget her 16th birthday. It was celebrated on Sunday, Aug. 20. Over 200 guests, most members of the Washington Artillery Veterans Association, using her parents' home for a huge picnic were present.

Is Bridget still Stinky's best girl? Was a visit from Keith the reason Mary Jo was so excited a couple of weeks ago?

Bill Frost returned from his vacation trip to Tennessee and South Carolina in time to register for school. We're not that Jane was lonely during his absence.

What's become of "Buster" who was spotted cart-wheeling down Beach Blvd. Are Al and Lee a two-some? Is Shirley really going steady with two boys? Is it true about Arthur and Beth? And how about Ann and Randy?

Eileen is still foot-loose and fancy free and after this weekend Margo will be also. They are hoping that Joe Ann and Pat D. are still around. Who is Barbara Trueman's heart interest? Won't Debbie M.'s phone ever ring? Raymond Bermond's fan club members aren't enthusiastic about his new flame from New Orleans. M.D. and E.H. have been dating steadily of late.

Is there really a conspiracy against Jules L.? Is Chris interested in Ann S. Molly S. is in line for a get well wish having recently suffered a broken hand.

Mary Lou and Jake appear to be very happy, although school has kept them from seeing each other. They're keeping postmen busy.

Darome Darome was saddened to find that Babby Bat has changed. As of now, he may be considered to have expired, at least in her books.

A certain blonde would like to know what caused the difference in Louise's attitude. Poor "Monster" didn't have enough wheel-power to make it to last weekend. A blue-eyed lass thinks that Dwayne B. has the cutest eyes.

Chris V. and six of his buddies had a roaring party over the weekend. While they were partying, rollers were busily occupied outside.

Who were the tall, dark and handsome young men searching for J.D. and E. P. Saturday night?

Newest members of the 'B. P.'s' are S.J. and K.J. Surprise! Bill and Edith finally met at the dance Saturday night. Pam could care less about D.P., so what's it to D.S. Cathy and Rickey are a twosome once again.

A certain group of girls, three to be specific, are eager to see Don again. He's a Stanislaus boarder who hails from North Jackson.

What happened between R.H. and M.L. A certain sweet 16-er is hoping for a 'ring' in late December.

Mary Jane Dees says 'hi' to all and is hoping to return to the Bay for a visit soon.

J.D. doesn't have to basket weave any more... Booby is just full of little surprises. B.L. is happy too. Best wishes for a successful football season to Robert Brian Marshall from old and new friends.

P.G. thinks Don doesn't understand. Things could be worse, although better, would be better! Joanne G. and George Mayfield are now going steady. He gave her his ID bracelet before leaving for Gulf Coast Military Academy.

Mills P. is thinking of giving up his little blue car for a sporty model, but hates to part with his old car. Molly M. has been making the scene lately, and so has her friend Elton. Earl Serrano and Mickey McCall seem to be a compatible couple.

What's all this about Diana and Bruce A. Litty? What happened to Betty H.? Has anyone heard about Zappa and Paul?

What was the reason for the mysterious phone call to a local girl from two groovy boys?

Library consultant appointed to Bay

The Bay St. Louis Public Library is currently under review by a consultant, Mrs. R. Magee, who is expected to complete her report by the end of the month. The library, which is located on the corner of Main and Second streets, is one of the oldest in the area. It was founded in 1880 and has since then been a valuable resource for the community. The consultant's report will provide a detailed assessment of the library's current state and suggest ways to improve its services and facilities. This is a significant step in the library's ongoing development and will help ensure it remains a relevant and useful institution for the future.
